SUMMARY

I recently completed my PhD in Philosophy at the Australian National University. My research is in public policy, especially government approaches to measuring and promoting wellbeing. I excel at identifying and addressing fundamental issues in approaches to public policy. I'm adept at understanding complex systems and information and am highly skilled at communicating ideas clearly and simply both verbally and in writing. I'm now looking for a role in which I can use my knowledge and skills in ways that benefit society.

RESEARCH AREAS

AREAS OF SPECIALITY

Ethics and social and political philosophy, especially philosophy of wellbeing, philosophy and public policy, and philosophy of disability

AREAS OF COMPETENCE

Māori philosophy, Chinese philosophy

EDUCATION

- ⊕ PhD in Philosophy, Australian National University (passed August 2024)
